There was a time when there was nothing at all

Nothing at all

just a distant hum.

There was a being and he lived on his own

He had no one to talk to and nothing to do.

He drew up the plans

learnt to work with his hands

A million years passed by and his work was done.

And his words were these:

Hope you find it in everything

Everything that you see

Hope you find it in everything

Everything that you see

Hope you find it

hope you find it

Hope you find me in you.

So she had built her

Elaborate home with its ups and

its downs

its rain and its sun.

She decided that her work

It was done

time to have fun

And found a game to play.

Then as part of the game

She completely forgot

Where she'd hidden herself

And she spent the rest of her time

trying to find the parts.

Hope you find it in everything

everything that you see

...

There was a time when there was nothing at all

Nothing at all
just a distant hum.
