I've got your picture  
in the palm of my hand  
And I'm squeezin' it  
I'm teasin' it  
I'd follow you to  
the edge of this land  
But I'm losin' it, confusin' it

This is a man  
who has lost control  
Lost the road to  
a higher soul  
Stop me from fallin'  
you know I need you

To lift me up  
(lift me up)  
Won't you lift me up yeah  
(lift me up)  
Won't you take me to a place  
that I once knew  
And when you can see  
you've always been there for me  
I'm waiting for your love

There'll be a time  
when all our rhythms of love  
Are shakin' it we're makin' it  
There'll be a place where  
life is livin' to give  
This harmony it will come to me

And when I think of  
those who love you now  
If I had my chances again somehow  
Stop me from fallin'  
you know I need you

To lift me up  
(lift me up)

Won't you lift me up yeah

(lift me up)  
Won't you take me to a place  
that I once knew  
And when you can see  
another side of me  
I'm waiting for you

I'm not eating I'm not sleeping  
this tension this worry  
You don't call you don't write me  
I need your love in a hurry  
Teach me, reach me  
meet me, beat me  
Tease me, please me  
Come and seize me

This is a man who  
has lost control  
Lost the road  
to a higher soul  
Catch me from fallin'  
you know I need you

To lift me up  
(lift me up)  
Won't you lift me up yeah  
(lift me up)  
Won't you take me to a place  
that I once knew  
And when you can see  
you've always been there for me  
I'm waiting for your love  
And when you can see  
the changes I've made in me  
Well i'm waitin' for  
you know i'm waitin'  
for your love
