You can look at the menu
but you just can't eat
You can feel the cushion
but you can't have a seat
You can dip your foot in the pool
but you can't have a swim
You can feel the punishment
but you can't commit the sin

(chorus)

And you want her
And she wants you
We want everyone
And you want her
And she wants you
No one, no one
No one ever is to blame

You can build a mansion
but you just can't live in it
You're the fastest runner
but you're not allowed to win
Some break the rules
and live to count the cost

The insecurity is the
thing that won't get lost

(chorus)

You can see the summit
but you can't reach it
It's the last piece of the puzzle
but you just can't make it fit
Doctor says you're cured
but you still feel the pain
Aspirations in the clouds
but your hopes go down the drain

And you want her
And she wants you (wants you)
We want everyone

And you want her
And she wants you (wants you)
No one, no one
No one ever is to blame
No one ever is to blame
No one ever is to blame
