I love you whether or not you love me  
I love you even if you think that I don't  
Sometimes I find you doubt my love for you, but I don't  
mind  
Why should I mind, Why should I mind

Chorus  
What is Love anyway, does anybody love anybody  
anyway  
What is Love anyway, does anybody love anybody  
anyway

Can anybody love anyone so much that they will never  
fear  
Never worry never be sad  
The answer is they cannot love this much nobody can  
This is why I don't mind you doubting

And maybe love is letting people be just what they want  
to be  
The door always must be left unlocked  
To love when circumstance may lead someone away  
from you  
And not to spend the time just doubting
