I love you whether or not you love me
I love you even if you think that I don't
Sometimes I find you doubt my love for you, but I don't
mind
Why should I mind, Why should I mind

Chorus
What is Love anyway, does anybody love anybody
anyway
What is Love anyway, does anybody love anybody
anyway

Can anybody love anyone so much that they will never
fear
Never worry never be sad
The answer is they cannot love this much nobody can
This is why I don't mind you doubting

And maybe love is letting people be just what they want
to be
The door always must be left unlocked
To love when circumstance may lead someone away
from you
And not to spend the time just doubting
