Bang The Drum Softly Now
Bang The Drum Softly Now
Just a man with a broken heart
Just a heart that is barely beating
Maybe I'm not so smart
Please bang the drum slowly now
Bang the drum slowly
Ever so slowly
Bang the drum slowly now

Oh why did I have to go
Oh why did I ever leave her
Maybe some day I'll know
Please bang the drum softly now
Bang the drum softly
Bang the drum softly now

Life was so serene
So beautiful and so peaceful
Like living in a dream
Please bang the drum softly now
Bang the drum softly
Ever so softly
Bang the drum softly now

What's life with out love and romance
Much worse than I ever imagined
It's time to take another chance
So bang the drum slowly now
Bang the drum slowly
But this time with feeling
Bang the drum slowly now
