Everybody Ought to have a Super Bowl Ring - song
parody

Everybody ought to have a ring

A ring

Everybody ought to have a

Super Bowl Ring

On our fingers glistening

And sparkling.

Oh Oh wouldn't it be exciting

Wouldn't be delightful

If we had a ring

Ooo ooo wouldn't it be delicious

Wouldn't it be traditional

If we had a ring

Oh Everybody ought to have a ring

A ring

Everybody ought to have a

Super Bowl Ring

On our fingers glistening

And sparkling.

Oh oh wouldn't it be so right

And so very spiteful

If the Eagles had rings

Ooo Ooo wouldn't it be neat

When the Patriots are beat

And we Eagles get are rings.

Everybody ought to have a ring

A ring

Everybody ought to have a

Super Bowl Ring
