I'M MOVING OUT

I am tired of your lies

And you've hurt me deep inside

So I'm moving,
I am not your stepping stone

And I rather live alone

So I'm moving
It's the last time you'll cheat on me

For the Truth has set me free.

I'm Moving Out!
I will not tell you once again

This affair has come to an end

I'm moving
You I have grown to dispise

You can see it in my eyes

So I'm moving
This is no longer my home

So you are free to go and roam

I'm moving out
You no longer will hurt me

Cause I'm moving I'm moving out
(Then repeat the first 2 verses at the
End)
