" Never Look Back "

Oh a wiseman said to me remeber

What I'm teaching to you today

And learn this lesson well my son

Sometimes the smart thing to do

Is to just get goinging and run away

When a devil is chasing you today

Just run

You need to concentrate

On where you are going

And never ever Look Back

At the Devil behind you

Just Run and

Never Look Back

Never Look Back

At that Devil behind you

Never Look Back

Or the Devil may chatch you
Never Look back
Not even for a second
Never Look Back
That wiseman's name was, the
Living Ledgend, Satchel Paige
And oh man oh man could
He ever throw
He may have been the fastest
Man that ever played the game of life
Living under this or any sun
And when he played those that
Watched him in amazement
Each and every day
For he never quit
And he never ever looked back
(the fade)
Never Look Back
At that Devil Behind You
Never Look back
