Lay down  
Your sweet and weary head  
Night is falling  
You™ ve come to journey's end  
Sleep now  
And dream of the ones who came before  
They are calling  
From across the distant shore  
Why do you weep?  
What are these tears upon your face?  
Soon you will see  
All of your fears will pass away  
Safe in my arms  
You're only sleeping  
[Chorus]  
What can you see  
On the horizon?  
Why do the white gulls call?  
Across the sea  
A pale moon rises  
The ships have come to carry you home  
And all will turn  
To silver glass  
A light on the water  
All souls pass  
Hope fades  
Into the world of night  
Through shadows falling  
Out of memory and time  
Don't say: «We have come now to the end»  
White shores are calling  
You and I will meet again  
And you'll be here in my arms  
Just sleeping  
[Chorus]  
And all will turn  
To silver glass  
A light on the water  
Grey ships pass  
Into the West
