And for all You've done and yet to do
With every breath, I'll be praising you
A desire of nations and every heart
You alone are God, You alone are God

CHORUS

You are the Lord, the Famous One, Famous One
Great is Your name in all the earth
The heavens declare You are glorious, glorious
Great is Your fame beyond the earth

The morning star is shining through
And every eye, we are watching You
Revealed by nature and miracles
You are beautiful, You're so beautiful

CHORUS

And You are the Lord, You are the Lord

CHORUS
