All my life I tried so hard to find me  
The more I search, the less this all made sense  
I'm finding now that this was not about me  
You're all that will be standing in the end

Take me as I am  
I've got nothing left to lose  
I am lifting empty hands  
'Cause I was made for You

Take me as I am  
I am Yours to use  
I am lifting empty hands  
'Cause I was made for You  
Made for You

You, oh God, are the consuming fire  
So burn, burn, burn away what isn't true  
Because I would never live for any other  
I will keep my heart chasing after You

Take me as I am  
I've got nothing left to lose  
I am lifting empty hands  
'Cause I was made for You

Take me as I am  
I am Yours to use  
I am lifting empty hands  
'Cause I was made for You  
Made for You

You are God, there is no other  
I won't bow before another  
I was made for, I was made for You  
[x2]

Take me as I am  
I've got nothing left to lose  
I am lifting empty hands  
'Cause I was made for You

Take me as I am  
I am Yours to use  
I am lifting empty hands  
'Cause I was made for You  
Made for You

You are God, there is no other  
I won't bow before another  
I was made for, I was made for You
