I know you're holding tomorrow
So I will trust you today
You may not keep us from sorrow
But I know you will never ever change

You've overcome the world
To rescue my soul
I don't have to worry
'Cuz whatever comes You're in control
Forever I will worship You
I'm amazed by the things You've done
Well, I am overcome

A king so awesome and worthy
And though you knew the great cost
Your heart was moved with such mercy
A God of love you endured the cross

You've overcome the world
To rescue my soul
I don't have to worry
'Cuz whatever comes You're in control
Forever I will worship You
I'm amazed by the things You've done
Well, I am overcome

By your mighty hands and the power you display
Though life gets hard
Still in my heart
I'll have courage, I'll have faith

You've overcome the world
To rescue my soul
I don't have to worry, no
'Cuz You're in control
Forever I will worship You
I'm amazed by the things You have done
You've overcome the world
You've overcome the world
You've overcome the world, Ohhhhh
