Imagine loneliness
Banished by communion
Imagine brokenness
Sheltered under grace

And disillusioned children
Finding their reunion
With the author and
Perfector of their faith.

God come down,
Hear the sound
Jesus, we cry to You

Only by the Power of Your Name, Lord
Will I live, will I live
Calling all you people to proclaim
Adonai, Adonai

Oh Holy Father
You have brought salvation
Beauty for ashes
Hope for all our shame

And liberation rings
Over every nation
Love has been redeemed
By the power of Your Name

God come down,
Hear the sound
Jesus, we're crying out to You

Only by the Power of Your Name
Will I live, will I live
Calling all you people to proclaim
Adonai, Adonai
Only by the Power of Your Name

Only by the Power of Your Name
Will I live, will I live

(Only by the Power of Your Name)
(Will I live, will I live)

The heavens and the earth
Will pass away
But only love
Yes, Your love
Only love will remain

Only by the Power of Your Name
By Your Name
