"Set A Fire"

Visit "[Set A Fire](#)" on MotoLyrics.com

I want a faith that's so alive
It can be seen
I want a hope I cannot hide
Even when I'm weak

I want a love that speaks the truth
Of what I believe
I want You, You're all I need

Set a fire in me
Bring me to my knees
Like a rushing wind
Consume this heart again
Set a fire

Turn a spark inside of me
To a holy flame
Melt away all my fear
It fills me with strength
Come and bring this heart to life
'Cause I'm not ashamed
I want You, You're all I need
Yeah, I want You, Jesus
You're all I need!

Set a fire in me
Bring me to my knees
Like a rushing wind
Consume this heart again
Set a fire
Set a fire!

Oh, let Your love be a wave of mercy
Come in me, open up my eyes
Oh, fill my heart with a passion burning
Come in me, open up my eyes!

Set a fire in me
Bring me to my knees
Like a rushing wind
Consume this heart again

Set a fire!
Oh, set a fire in me
Bring me to my knees
Like a rushing wind
Consume this heart again
Set a fire!
Set a fire!
