Sunrise on Sunset Beach
Finds me right where I watched it set
I spent the night inside myself
But I haven't found me yet

But I'm not running from you anymore
I'm not running from you anymore
Oh no not anymore

'Cause I believe that when I call for You
You hear the plea for my rescue
You lift me up above the world I know
And I know that when I speak Your name
You hear my voice and send Your Saints
To cover me in the shadow of angels

I got caught in the memories
'Cause they never fail to prove
I'm insecure and incomplete
It's a stinging point of truth

So I will never find the best of me
Until I find myself in You
I'll find myself in You

'Cause I believe that when I call for You
You hear the plea for my rescue
You lift me up above the world I know
And I know that when I speak Your name
You hear my voice and send Your Saints
To cover me in the shadow of angels

'Cause I believe that when I call for You
You hear the plea for my rescue
You lift me up above the world I know
And I know that when I speak Your name
You hear my voice and send Your Saints
To cover me

And I know that when I speak Your name
You hear my voice and send Your Saints
To cover me in the shadow of angels

Oh, oh, oh
