"Where I Belong"

Visit "[Where I Belong](#)" on MotoLyrics.com

Sometimes it feels like I'm watching from the outside
Sometimes it feels like I'm breathing, but am I alive
I won't keep searching for answers, that aren't here to
find

All I know is I'm not home yet
This is not where I belong
Take this world and give me Jesus
This is not where I belong

So when the walls come falling down on me
and I'm lost in the current of a raging sea
I have this blessed assurance holding me

All I know is I'm not home yet
This is not where I belong
Take this world and give me Jesus
This is not where I belong

When the earth shakes
I want to be found in You
When the lines fade
I want to be found in You

All I know is that I'm not home yet
This is not where I belong
Take this world and give me Jesus
This is not where I belong

All I know is I'm not home yet
This is not where I belong
Take this world and give me Jesus
This is not where I belong
Where I belong
Where I belong
Where I belong
