Look at granny run, run
And grandpa runnin' close behind
Look at granny run, run
There's somethin' on granddaddy's mind
He went to the doctor
Got a brand new pill
The doctor said
Son, you ain't over the hill
Now he can't sit still
Great gosh a-mighty

Won't you look at granny go, go
Faster than a Greyhound bus
Look at granny go, go
Now grandpa's gettin' serious
He woke up in the middle of the night
Said look it here baby, everything's all right
Babe I've set you up right
Great gosh a-mighty
Won't you look at granny run, run

Look at granny run, run
But grandpa gettin' close now
No matter how she run, run
He's gonna catch her anyhow
He said mama
Stop your carryin' on
All I want's a little love
Before I'm gone
Ain't nothing wrong
Great gosh a-mighty
Won't you look at granny run, run

Look at granny run, run
Look at granny run, run
Look at granny run, run
