Stop
Baby, can't you see that I can't take it no more
Stop
If you keep it up I'm gonna go through the floor
That's what's gonna happen, baby
Never knew how good a love could be
Love is gonna make a fool of me
Everything is hazy
One more kiss and you'll dri-i-i-ive me crazy
Baby, stop
Hold it up a minute 'cause I've gotta catch my breath
You know what you do to me, baby
Stop
Everytime you squeeze you scare my heart half to
death
That's what you do to me, baby
Thought I was the captain of my ship
Ahhh, your loving made me lose my grip
Everything is hazy
One more kiss and you'll dri-i-ive
Drive me crazy
Baby, stop
Stop it right now, baby
I think you're tryin' to take advantage of poor old me
That's what I think, baby
Stop
When you touch my hand I'm helpless as I can be
That's how I feel, baby
Tell me baby, what are you made of?
Ahhh, what you do to me
Sure must be made of love
Everything is hazy
One more kiss and you'll dri-i-ive me crazy
Stop it, baby
Sure want you to stop it right now, baby
Stop it, baby
Stop it right now, baby
Can't you see that I can't take it no more?
Sure want you to stop it, baby
I'm beggin' you, baby
I'm down on my knees beggin' you to stop it, baby
Stop it, baby
