Well, at least now I feel that she is all over me,  
I can cope, I'll take a hint, gather my things and leave,  
So I would sing time and time again, if I thought it  
would do any good.

Well, now I feel like it's harder to breathe,  
So I'll cope, take a hint, gather my things and leave,  
So, I'd take it all back if I could.

So, (Hey! ) Am I talking to me? (Hey! ) Does any word I  
say

(Hey! ) Connect with you? (Too much, too much to say!  
)

Does any word that I say (Hey! ) connect in any way  
(Heey! ) To anything you feel?

I want you to leave soon,  
I don't want you around.  
I'll wait now, irate now,  
With no-one but you.

So, (Hey! ) Am I talking to me? (Hey! ) Does any word I  
say

(Hey! ) Connect with you? (Too much, too much to say!  
)

Does any word that I say (Hey! ) connect in any way  
(Heey! ) To anything you feel?

So, (Hey! ) Am I talking to me? Does any word I say  
Connect with you?

(Hey! ) Does any word that I say (Hey! ) connect in any  
way

(Heey! ) To anything you feel?
