All stop still, Listen for the sound of a future. Do you hear anything? Anything at all?

With reasons running everywhere, This logic's lost it's way. Hate, it consumes everyone, Please say you won't stay, stay.

"You wait there, I'll say when to move. My words are the rulebook, The rulebook, it's my mood."

With reasons running everywhere, This logic's lost it's way. Hate, it consumes everyone, oh, So please say you won't stay, stay.

All stop still, Listen for the sound of a future. Do you hear anything? Anything at all?

Reasons running everywhere, Logic's lost it's way. Hate, it consumes everyone, oh, Please say you won't stay, stay. Stay.
