Raise your voice if
You think you deserve more than this,
Hate is wasted
On the absent minds within us.

Force it out, or take it in.
Is it second nature to be selfish?
Force it out, or take it in.
Is it second nature to be selfish now?

Can you sense the
Sudden need to feel we are together?
From now
On, (I think) you should try to keep that.

Force it out, or take it in.
Is it second nature to be selfish?
Force it out, or take it in.
Is it second nature to be selfish now?

Somehow
The bottom from all this has dropped out of everyone,
Just now,
Your thoughtless, I'll actions are taking us backwards
again.

Raise your voice if
You think you deserve more than this,
Hate is wasted
On the absent minds within us.

Force it out, or take it in.
Is it second nature to be selfish?
Force it out, or take it in.
Is it second nature to be selfish? Now.

Somehow
The bottom from all this has dropped out of everyone,
Just now,
Your thoughtless, I'll actions are taking us backwards
again.

Just because we
Are in a tent with five thousand
Other voices, does that make us unified?
