When you cry, do you realise,  
That you don't know what you have inside?

And the seasons, they will change,  
And the fakers, they will come and go away,  
And I know we're underground.

Do you know, the love that wrote  
This song for you, I hoped you knew.

And the seasons, they will change,  
And the fakers, they will come and go away,  
And I know we're underground.

Please, please, believe me,  
And the reasons why,  
This rapport can't die, so lets say goodnight,  
Because I need you here by my side.

Is time asleep? A soul to reap  
What we have sown, what have we sown?

And the seasons, they will change,  
And the fakers, they will come and go away,  
And I know we're, and I know we're underground.

Please, please, believe me,  
And the reasons why,  
This rapport can't die, so lets say goodnight,  
Because I need you here by my side.

Oh, I'm underground.

When you cry, do you realise,  
That you don't know what you have inside?
