I'm so tired of falling love  
Finding it easier to fall out  
I can't deny it  
I'm feeling inside I keep it's fire, oh can I

Chorus:  
I'm falling in love again  
And nothing I can do  
Falling in love again  
This times with you  
When I fall it's always the same  
And I'm so tired  
Of playing this game

Been so long now  
Since I gave up my heart  
I kept it locked down  
I don't want to get it hurt

So let me tell you now  
I just want to be sure that you won't hurt me  
Can you promise me that

Chorus

You gotta tell me if you're going to break my heart  
Cause I don't want to take a chance  
And if it ain't true all it's gonna be  
Is nothing but a poor romance  
So give me that promise to hold on  
And I'll never let you go  
I gotta have something to go on  
Oh let me know now

Chorus

I'm Falling in love again  
(I'm falling oh I'm falling)  
I'm Falling in love again  
(girl you got me, yea you got me)  
I'm Falling in love again

(ohhh I'm falling)  
I'm Falling in love again  
(ahh ah yea haha)  
Falling in love again  
Falling in love again  
I'm Falling in love again

Falling in love again...
