if you see something that looks like star  
shooting all up out of the round  
and your head is still spinning from a loud guitar

and you just can't escape from the sound  
don't worry too much, it will happen to you  
we were children once playing with toys

{chorus}  
the thing that you're hearing  
is only the sound of the low spark  
from high heeled boys  
...high heeled boys

the percentage you're paying  
Is too high priced  
While you're living beyond  
All your means  
And the man in the suit  
Has just bought a new car  
From the profit he's made  
On your dreams  
But today that you swear  
That the man was shot dead  
By a gun that didn't make any noise  
but it wasn't the bullet that laid him to rest  
It was the low spark of high heeled boys

If I gave you everything that I own  
And ask for nothing in return  
Would you do the same for me  
As I would for you  
Or take me for a ride  
And strip me of everything  
Including my pride  
But spirit is something that  
No one destroys

{chorus}
