Sail away with me honey
I put my heart in your hands
Sail away with me honey
Now, now, now
Sail away with me
What will be will be
I wanna hold you now, now, now

Crazy skies are wild with bubbly now
Wind's a-howlin at my face
And everything I held so dear
Disappeared without a trace
And all the times I tasted love
Never knew quite what I had
Little darlin if you hear me now
I never needed you so bad
Spin around inside my head

Sail away with me honey
I put my heart in your hands
Sail away with me honey
Now, now, now
Sail away with me
What will be will be
I wanna hold you now, now, now

I been talking drunk and jibberish
Falling in and out of fault
Trying to get some explanation here
For the way some people are
But did it ever come so far

Sail away with me honey
I put my heart in your hands
Sail away with me honey
Now, now, now
Sail away with me
What will be will be
I wanna hold you now, now, now

Sail away with me honey

I put my heart in your hands
Jack me up and then put me down
Sail away with me
What will be will be
I wanna hold you now, now, now
