So you think  
You can hold the world up by a string  
With all that you have  
And I will hold every part of you that I could hold

And I'm on...  
And I'm on again  
Brace yourself  
With all that you have  
Enough, I'm in love again  
Brace yourself  
Yeah...

So you feel anything and everything could be  
All that you wanted  
Stay with me  
I'm in no condition to be  
Alone

And I'm on...  
And I'm on again  
Brace yourself  
With all that you have  
Enough, I'm in love again  
Brace yourself  
Now...

On and on  
So it's just your false alarm  
Maybe I'll hold my breathe  
And you'll be gone  
All that you have... yeah...  
All that you wanted...

So you think  
You can hold the world up by a string  
With all that you have  
And I will hold  
Every part of you that I could hold

And I'm on  
And I'm on again

Brace yourself with all that you have  
Oh I'm in love again  
Brace yourself... now...

Brace with all that you have  
Brace now  
Brace with all that you have  
Brace now
