Buzzing and i'm flying  
Everybody's trying too hard  
This is just a guess  
But less is more than more now  
Step outside  
It's colder than hell  
But i will make sure that you're terrified

You can have a say  
You can have a play  
But you got some  
www dot Smashed in the Morning dot com  
It's a matter of decision making  
Who you want to be  
Stiff drunk revolutionary

Yeah, Yeah

I think we could talk things over  
If you'll come by at quarter to midnight  
You're so loud  
You're waking up the neighbors  
I'll act out  
'Cause i'm buzzing for you, Baby  
Yea, For you, Baby

It's not because i'm lazy  
You are feeling crazy

Not now  
Space and time  
Don't feel amazed somehow  
Step outside  
It's colder than hell  
But i will make sure that you're satisfied  
Yeah, Tell me baby  
I'll try and we could talk things  
Over if you'll come by at quarter to midnight  
And your so loud your waking up the  
Neighbors dog and somehow  
I'm still buzzing for you  
Baby, Yea

For you baby  
'An for you baby  
Yeah, Yeah, Yeah,  
No, No, Thinkin about the time  
Time you remember  
While you dont  
Space and time an we'll talk things over  
Time  
No, No, Never gonna cry about you  
No, No, Never gonna cry about you  
No, No, Never gonna cry about you  
Lately, No, No, Ah No
