I'm so tired of falling in love
Finding it easier to fall out
I can't deny it
I'm feeling inside, I keep its fire, oh can I?

I'm falling in love again and nothing I can do
Falling in love again, this times with you
When I fall it's always the same
And I'm so tired of playing this game

Been so long now
Since I gave up my heart
I kept it locked down
I don't want to get it hurt

So let me tell you now
I just want to be sure that you won't hurt me
Can you promise me that?

I'm falling in love again and nothing I can do
Falling in love again, this times with you
When I fall it's always the same
And I'm so tired of playing this game

You gotta tell me if you're going to break my heart
'Cause I don't want to take a chance
And if it ain't true all it's gonna be
Is nothing but a poor romance

So give me that promise to hold on
And I'll never let you go
I gotta have something to go on
Oh, let me know now

I'm falling in love again and nothing I can do
Falling in love again, this times with you
When I fall it's always the same
And I'm so tired of playing this game

I'm falling in love again
(I'm falling, oh, I'm falling)
I'm falling in love again

(Girl, you got me, yeah, you got me)

I'm falling in love again

(Oh, I'm falling)

I'm falling in love again

(Ah ah yeah ha ha)

Falling in love again, falling in love again

I'm falling in love again

Falling in love again
