Make me fall down
Make me get up
And if I'm alright
Make sure I'm scared to death
Maybe I'm useless
Just couldn't remember
Maybe I'm nervous
And I'll make you surrender

I'll take you on
I'll give it all away
But you don't
But you don't
I'll give it all away
But you don't feel much better

Said it yourself
Said I'm not ready
And telling myself
But it's not sinking in
Maybe I'm new at this
It is just your reaction?

Be my illusion and I'll be your distraction

I'll take you on
I'll give it all away
But you don't
But you don't
I'll give it all away
But you don't feel much better

Would I be hurt?
It wouldn't hurt
See you again
You see what I meant
I told you before
That I never wanted to feel like this again

I'll give it all away
But you don't

But you don't
I'll give it all away
But you don't feel much better
