I picture you in the sun, wondering what went wrong  
You've fallen down on your knees, asking for sympathy  
And being caught in between all I wish for and all I  
need  
I picture you fast asleep, a night comes you can't keep  
away  
May God's love be with you, always  
May God's love be with you  
I know I would apologize if I could see your eyes  
Cause when you show me myself  
You know I became someone else  
Cause I was caught in between all I wish for and all I  
need  
I picture you fast asleep, a night that comes you can't  
keep away  
May God's love be with you, always  
May God's love be with you  
Cause if I find, if I find my way, how much will I find  
If I find, if I find my way, how much will I find  
If I find, if I find my way, how much will I find, you, you,  
I find you, you  
I don't know anymore, what it's for, I'm not even sure  
If there is anyone who is in the sun could you help me  
to understand  
Cause I've been caught in between all I wish for and all  
I need  
Oh, maybe I'm not even sure what it's for anymore than  
me  
May God's love be with you, always  
May God's love be with you, always  
May God's love be with you, always  
May God's love be with you  
Cause if I find, if I find my way, how much will I find  
If I find, if I find my way, how much will I find  
If I find, if I find my way, how much will I find, you, you,  
I find you, you
