Some folk built like this
Some folk built like that
But the way I'm built
Don't you call me fat
Because I'm built for comfort
I ain't built for speed
But I got everything
All good girls need

Some folk rip and roar
Some folk believe in signs
But if you want me babe
You got to take your time
Because I'm built for comfort
I ain't built for speed
But I got everything
All good girls need

I ain't got no diamond
And I ain't got no gold
I have love
To satisfy your soul
Because I'm built for comfort
I ain't built for speed
But I got everything
All good girls need
