You're a mean mistreater, mama, you don't mean me
no good
You just a mean-mistreater mama, you don't mean me
no good
I can't blame you, baby, I'd be the same way if I could

You know in the mo'nin', baby, when I come 'n, knocked
on your door
You had a nerve to tell me, that you don't want me no
more

And then also baby, when I knocked upon your door
You had a nerve to tell me, don't want me no mo'

Didn't you say you was gonna leave me, did you say
you was goin' away?
Did you say you was gonna leave me, didn't you say
you was goin' away?
That's alright baby, you gonna come back home
someday
