Lord I got a woman, she nice lovin' in every way
Lord I got a woman, she nice lovin' in every way
You know she done died and left me, I have the blues
on every Decoration Day
So sorry see you to leave me [sic], I hate to see my
baby get away
So sorry to see you leave me, I hate to see my baby get
away

I want you to bring me some flowers, about every
Decoration Day
Lord I was walkin' round her bedside, these were the
last words my baby had to say
Lord walkin' round her bedside, these were the last
words my baby had to say
She said bring me some flowers - be sure honey - on
every Decoration Day
