I walked all the way from Dallas Texas, people I'm
going to Californ'
All the way to Dallas, people I'm going to Californ'
My baby she left me
I won't be walkin' no more

I told her I'd be there Sunday morning, to take her to
Sunday school
Be there Sunday morning, to take her to Sunday school
She's a good woman, she know my ways she know my
rules

I got a girl for Monday, Tuesday, Wednesday,
Thursday Friday too
I got a girl for Monday, Tuesday, Wednesday,
Thursday Friday too
Don't look for me through the weekend, womens
I got to take my baby to Sunday school

I walked clean from Dallas, people I'm going to
Californ'
All the way to Dallas, people I'm going to Californ'
My baby she left me
I won't be walkin' no more
