Lord I've got a woman, she's nice lovin' to me every
way

Lord I've got a woman, she's nice lovin' to me every
way

You know it hurt me so bad, see my baby get away

Lord fare thee well, I ain't got no more to say

Fare thee well, got no more to say

It hurt me so bad, see my baby get away

Keep on havin' a good time now, just like the flowers
that come in May

Keep on havin' a good time now, just like the flowers
that come in May

Ahhh, it hurt me so bad to see my baby get away
