Oh Red, what should I do?
Oh Red, what should I do?
I'm sick an tired of askin' ya to sing them blues

Now Red, let's dance a while
Oh Red, let's dance a while
I'm sick an tired, tellin' ya to hold my hand

Oh Red, let's break 'em down
Oh Red, let's break 'em down
I'm sick an tired, tellin' ya to hold my hand

Now Red, you sweet to me
Oh Red, you sweet to me
But I'm sick an tired, tellin ya to hold my hand

Oh Red, we gonna swing a while
Oh Red, we gonna swing a while
I'm sick an tired, tellin' ya to hold my hand
