Yes, you call me the rocker, I can really rock you all night long.

Yes, you call me the rocker, I can rock you all night long.

I can let you down easy, when I think your money's gone.

I can rock you easy, don't want you to have a turn.

I can rock you easy, don't want you to have a turn.

I just let you down easy, like jelly on a plate.

Some raggin' and shakin', don't mean a thing to me.

Some raggin' and shakin', don't mean a thing to me.

I'm a hip shakin' daddy, I can shake like a willow tree.

Call me the rocker, I can really rock a while,

They call me the rocker, I can really rock a while,

With a real gone mama, don't let me take your style.

I can rock it easy, don't wanna take your style,

I can rock it easy, don't wanna take your style,

I can let you down easy, like jelly on a plate.

Yeh, they call me the rocker, I can rock you all night long.
