Tell me, what in the world can be wrong  
Tell me, what in the world can be wrong  
Woke up this morning  
Trouble knocking on my door  
I wonder what the trouble  
Big trouble at my door  
I wonder what the trouble  
Real troubles at my door  
Thursday morning my baby's making(?)  
Don't want me anymore  
I'll have to forget it and let this trouble pass  
I'll have to forget it and let this trouble pass  
I wonder sometimes, how long my troubles gonna last

All night long, somebody knocking on my door  
All night long, somebody knocking on my door  
There ain't nothing but my troubles  
Can't be worried here anymore  
Goodbye, goodbye baby, got to go  
Goodbye, goodbye baby, got to go  
I can't lay around here, be worried with this trouble no  
more  
Trouble is knocking  
Trouble is knocking  
Trouble is knocking  
Trouble is knocking
