Ou bit me
Yeah you bit me
Then you ran
Away
Just like A spider

You Caught Me
You released me
Then you ran
Away
Just like A Spider

I've been bitten by a
Spider
I've been hunted by a
Liar
I've been bitten by a
Spider
And now there's nowhere to run

You trapped me
With your money
Then you spun, your web
All all around me

I've been bitten by a
Spider
I've been hunted by a
Liar
I've been bitten by a
Spider
And now there's nowhere to run

I've been bitten by a
Spider
I've been hunted by a
Liar
I've been bitten by a
Spider
And now there's nowhere to run

Ah aa

Ah haa

And now there's nowhere to run

Ah aa
Ah haa

And now there's nowhere to run

Ah aa
Ah haa

And now there's nowhere to run

I've been bitten by a
Spider
I've been hunted by a
Liar
I've been bitten by a
Spider
And now there's nowhere to run
