She cured the plague of the holy child
And all the while
She just walked in
And boom! she said
In her room with her red fingernails
And a grip on the answers.

When it's home
And I'm broken, let's fix.
When it's home
And I'm swollen, let's kiss.
When it's home
And we're walking, she'll lead
If she's waiting, we'll leave.
I'm so gracious I've got you here.

If you touch it
It's cold.
If you drop it
It breaks.
If you hug it
It shakes...
Hold it it
It shakes.
I'm Boom! she said.
I'm Boom! She said.

When it's home
And I'm broken, let's fix.
When it's home
And I'm swollen, let's kiss.
When it's home
And we're walking, she'll lead
If she's waiting, we'll leave.
I'm so gracious my name's I dare.

My name's I Dare.
My name's I Dare.
My name's I Dare.

When it's home

And I'm broken, let's fix.
When it's home
And I'm swollen, let's kiss.
When it's home
And we're walking, she'll lead
If she's waiting, we'll leave.
I'm so gracious.

All the while
All the while
All the while
All the while
All the while
All the while
All the while
