Round and round and round we go,  
And where we stop nobody knows.  
You and i will die and make history.

Round and round and round we go,  
And where we stop nobody knows.  
You and i will die and make history.

To save my mind from what i've heard...  
Restart my heart now.  
To save my mind from what i've heard...  
Restart my heart now.  
Restart my heart now.  
Restart my heart.

Yeah.

You and i will die and make history.  
Round and round and round we go.  
And where we stop nobody knows.  
You and i will die and make history.  
You and me.

What we mean,  
And what i say,  
What i redeem,  
And what i pay.  
Yeah yeah yeah?  
You can't see me.  
Yeah yeah yeah?  
You can't see me.

Go.

You and i will die and make history.  
Round and round and round we go.  
And where we stop nobody knows.  
You and i will die and make history.  
You and me.

What we mean,

And what i say..  
What i redeem,  
And what i pay.  
What i pay.

To save my mind from what i've heard,  
Restart my heart now.  
To save my mind from what i've heard,  
Restart my heart now.

Restart my heart now please.  
Restart my heart now please.
