Put the needle to the record and hit me with your style.
Soon enough I'll learn to unload my mouth.
Can you say it's getting blacker,
The vibe up in this place.
When I displaced, what made me turn my face?
I can't wait.

I jumped ship to a burning sow
Had a ball.
Atom bomb.

It was quite a dirty habit,
When the last thing I do,
Has a swine slewn,
Down martyr avenue.
Am I driftwood or hosana?
A knee-deep in disease.
I'm the body.
Laid a 9 on my sleeve.
I'm a bitch girl.
I'm a bitch.

I jumped ship to a burning sow
Had a ball.
Atom bomb.
I jumped ship to a burning sow
Had a ball.
Killed a shark.

I jumped ship to a burning sow
Had a ball.
Atom bomb..

The Nile is a river in Egypt.
Division is a reunion in the south.
Soon enough I'll learn to...
The Nile is a river in Egypt
Allusive as the communion in my mouth.
Soon enough I'll learn to...

I jumped ship to a burning sow

Had a ball.
Atom bomb.
I jumped ship to a burning sow
Had a ball.
Atom bomb.

Tell the one about the man who dug a
Hole so deep
He lost sight of his word
