You get the car  
i'll get the night off  
you'll get the chance  
to take the world apart  
and figure out how it works  
don't let me know what you find out  
i need a car  
you need a guy  
who needs a map  
if i don't die or worse  
i'm gonna need a nap  
at best i'll be asleep  
when you get back

i want to see it  
when you find out what comets stars and moons are all  
about

wanna see their  
faces turn to backs of heads  
and slowly get smaller

wanna see it now  
i want specifics  
on a general idea  
wanna think what i should know  
want you to do me what you show  
i wanna see movies of my dreams  
i wanna see movies of my dreams  
i wanna see movies of my dreams  
i wanna see movies of my dreams

wanna see it  
when you get stoned on a cloudy breezy desert  
afternoon

wanna see it  
untame itself  
and break its owners

wanna see it now

wanna see it now...
