youre life

all guy?

for i might

one tries?

but dont try

their time?

no dont try

their kind

they might

seem fine

your light

so shine?

inside

all mine

everyone goes on and on

and everyone goes on and on

everyone

and everyone

everyone

everyone

everyone

everyone

your light

last night

we make time?

all right

i might

go try?

but dont try

their kind?
