Miles to dawn but it feels so dark 'till then  
Drowns you out but you can't be to certain  
Come in once, only fill me up with mead.  
Everybody in this world is just like me  
So what?  
Go on.

Sounds like fear, and then there might be a cure  
Waste your life, but you don't know what it's worth  
Calm your mind for all the treasures of this earth  
Too close to find anything outside yourself  
So what?  
Grow on.

(Aaaaah)  
Life ain't nothin'  
(la la la la-aah)  
But a dream  
(la la la la-aah)  
Relives it  
(la la la la-aah)  
As it seems  
(guitar solo)

Destiny's vulgar so I might as well resist  
Out of the darkness and all of the secrets still exist  
Finally decided, and by decide I mean accept,  
I don't need all those other chances I won't get.  
So what?  
Grow on.

(Aaaaaah)  
Life ain't nothin'  
(la la la la-aah\_  
But a dream  
(la la la la-aah)  
Relives it  
(la la la la-aah)  
As it seems.
