raised unright
so uptight
but why blame you
you wouldn't be
if you could choose
most of the time
it's out of site

it hit me today
who gave who the right
who took mine away
what a site
what a sound
what a way to bring people down
what a way to bring me down

I know that you'll get yours
when you get empty
it's so close
I'm sure that you
would rather do that
than be in your clothes

you must have waited a long time
bet you were disappointed
I waited longer than that
just goes to prove
(Illogical) proving's illogical
but it's sometimes necessary
proving's illogical
but it's a cinch
fa-la-la (Illogical)

but why blame you
you wouldn't be
if you could choose

most of the time
it's out of site
it hit me today
who gave who the right
who took mine away

what a sight
what a sound
what a way to bring people down
what a way to bring me down
it goes on and on
and on and on and on
