Your picture is still on my wall
On my wall the colors are bright
Bright as ever

The red is strong, the blue is true
Some things last a long time
Some things last a long time

Your picture is still on my wall
On my wall
I think about you, often, often

I can't forget all the things we did
Some things last a long time
Some things last a long time

It's funny but it's true
And it's true but it's not funny

Time comes and goes
All the while I still think of you
Some things last a long time

Your picture is still on my wall
On my wall the colors are bright
Bright as ever

Times that we shared, all we forget
Some things last a life time
Some things last a life time
