you can't trust anyone  
cause you're untrustable  
how can you trust someone you know can't trust you  
you won't help anyone  
cause you're unusable  
no one can tie you down  
you're nobody's fool  
and I'd love to see it but it's something you just feel  
and I'd like to feel it but it just isn't real  
and god is whoever you're performing for  
and god is whoever you perform for

you don't like anything cause you're unlikable  
all because you're not interested in you anymore  
it's so unthinkable cause you don't think of it  
how many ideas can fit in your reality  
and I'd love to see it but it's something you just feel  
and I'd like to feel it but it just isn't real

and I'd love to see it but it's something you just feel  
and I'd like to feel it but it just isn't real  
and god is whoever you're performing for  
and god is whoever you perform for

- Pt. 2 (about someone else)

I know you  
feel the things you see you know they're true  
what are you gonna do  
why can't you  
**\*\*EMPATHIZE WITH JESUS' POINT OF VIEW\*\***  
what are you gonna do  
can you feel the darkness shining through  
what are you gonna do  
why can't you  
move yourself like other people do  
what are you gonna do  
I know you wouldn't be the way you feel if you could  
choose  
what are you gonna do  
can you feel the darkness shining through  
what are you gonna do
