Alice in wonderland,
Your ticket's in your hand,
Shufflin' off, easy, to sweet Buffalo.
An' I could help you fly,
But I can't go that high.
It makes my nose bleed,
Didn't you know?

And she says "Right.
"I just can't think about it right now.
"I just can't think about it right now."

I'd like to live,
I'd like to be.
I'd like to give all the givin' in me.
I'd like to help you find,
Some place with peace of mind.
Leave all your pain behind,
Sail away free.

And she says "Right.
"I just can't think about it right now.
"I just can't think about it right now."

Instrumental break.

Alice in wonderland,
I knew you'd understand.
There are some things that I just have to do.
No more hypocrisy.
No animosity.
Changin' democracy:
How about you?

And she says "Right.
"I just can't think about it right now.
"I just can't think about it right now."
